Fostering Service through Advisory

Key Club and NHS have teamed up this year to sponsor different charity events each month in advisory classes. There are a few guiding reasons why participating in service during advisory is important:

1. Students can build community within their advisory classes.
2. Advisory classes are organized by grade level and are typically with the same advisor and cohort throughout the year.
3. The moral focus curriculum is taught and reinforced in advisory, which pairs quite well with service.
4. Having a set time each week allows for consistency in terms of collection of materials and distribution of information.

December:

NHS and Key Club are partnering up with a Toys for Tots drive. The donation box will be in the front office starting next week. We hope to meet our goal of 100 toys and in doing so, student would earn a school wide dress down day. Donations will be accepted through December 22nd unless otherwise noted.

Key Club is also sponsoring a thermos drive to assist a local homeless ministry with providing warm soups on Sundays. Our goal is to collect at least 50 thermoses by 12/15. Donations are accepted in Mrs. Schmotzer's room.

We push all of our students to T.H.I.N.K like CHARGERS!!! Encourage your CHARGER to: Show TENACITY Have HIGH EXPECTATIONS Demonstrate INTEGRITY Make NO EXCUSES Be KIND!!

We CHARGED through October!!
