**Student Recognition:** Congratulations to all our students who received Charger Cards for the month of December! Your dress down is on Tuesday, 1/16.

**Teacher Recognition:** Congratulations to Mrs. Plascencia for being voted Teacher of the Month!

Have an amazing week at Canton Prep, where our Charger Scholars are College Bound and prepared for Success!

## Reminders:

1. **Parking Lot Safety:** We have had many close calls with vehicles almost hitting pedestrians and several cars have recently sustained damage. It is the school's expectation that drivers do not exceed 10 MPH in our parking lot to ensure the safety of our students and staff. *This also applies when vehicles are exiting our lots to turn onto the main road.*
2. **Driving Safety:** Now that winter is here in full-force, please exercise caution on the roads. Cherry Hill can get backed up very quickly and the turn lanes ice over easily. Please allow for additional drive time in the mornings especially.
3. **When dropping students off,** please pull down to the farthest spot available on the appropriate side for your exit. The left lane is reserved for individuals who need to turn left at the light onto Cherry Hill. The right lane is reserved for individuals who will turn right on Cherry Hill after driving through our student lot.
